It is only necessary to communicate it a few days before the arrival and the Weal staff will take care to deliver them directly to your room on the day of arrival. This is to avoid queues and a waste of time on the first day of vacation!

We offer all our customers the option of having a small courtesy basket, with several basic products for a relaxed arrival in the apartment.

Our welcome kit contains:

- table salt
- olive oil
- 2 toilet paper rolls
- sweet and savory snacks
- 2 small water bottles
- one roll of kitchen paper
- sugar

The basket cost is **15€** and it must be ordered some days in advance!

FIRST SHOPPING AND FIRST DINNER

In collaboration with MARCELLO SUPERMARKET and the restaurant - pizzeria IL CENTRO, CHALET WEAL offers to its more demanding customers the option of finding their chosen shopping already done, or even the dinner they desire ready, upon their arrival. Shopping proposals as well as the menu can be checked out in attachment.

BREAKFAST

The **VERGNANO** bar-café, 40 m from the gondola cableway departure station, as little as 50 m away from the Chalet, offers a special WEAL customer price list for luxurious breakfasts before starting for a day in the snow! With WEAL, all breakfast prices are discounted by 15%!

EQUIPMENT RENTAL

In partnership with **SURF SHOP SESTRIERE**, in via Pinerolo 14d, next to the ski tracks, we offer you the possibility of renting all necessary skiing and snowboarding equipment, for as long as you need.

SCHOOL

Inside the WEAL staff there are 3 exceptional snowboard instructors: BIBA (instructor specialized with children and disabled, and chalet manager) GIONATA CRAVIOTTO (instructor, local and expert freerider) and LUCA FIORINI (pro rider, local and freestyle instructor), with whom you can take private snowboard lessons, all levels and all ages. We can also offer ski classes in collaboration with the VIA LATTEA and YES schools, with the comfortable beginner course only 100 meters away from the Chalet.

SPECIAL FOR KIDS: group ski lessons from 10:00am to 1:00pm, lunch, tea and baby-parking service until 5.00pm (3 days: € 260.00 // 5 days: € 400.00).

SNOWBOARD TEST CENTER

For snowboard lovers, we offer free of charge the availability of the **WEAL TEST CENTER**, where the following equipment will be available for free:

- Thirtytwo, boots
- Rome, boards and bindings
- Slash, boards
- Electric, faceplates

(Notice: it is necessary to have one's own equipment to be able to avail oneself of the TEST CENTER!)

REIKI TREATMENT SESSIONS

Starting this year, in our CHALET WEAL, you will be able to book and enjoy Reiki treatment sessions performed by BIBA, in the comfort and relax of your own apartment. This is the best way to regenerate the harmony and well-being of body and mind, too often stressed and hurt by the grinding day-to-day city life.

GROCERY SHOPPING VOUCHER

Most Chalet apartments have a kitchen, so we thought of negotiating a convenient agreement for grocery shopping during your stay. The **MARCELLO** Mini-Market, in via Pinerolo 14, offers a 10% discount deal on all purchases by WEAL customers who will spend at least € 20.00. Delivery to the Chalet is also available.

BABY-PARKING SERVICE

The Baby-parking service is available at the **ORSETTO ETTORE** Baby-Club, or at the **SHACKLETON HOTEL**.

HIGH-ALTITUDE DINNER

WEAL suggests unforgettable evenings with a dinner at high altitude, at the **ALPETTE** restaurant (or in other restaurants or cabins). The climb will take place on a fully equipped snow-cat and you will be able to descend either with the snow-cat, or on ski/snowboard (descent on trail will only be possible if accompanied by an authorized instructor).

SNOW MOTO SLEDS AND DOG SLEDS

Snow Moto sleds: you will be able to live new, unforgettable experiences aboard powerful, safe moto sleds. We offer two alternatives based on your needs and experience: a fully equipped track, or complete excursions, even in groups, to the most secluded valleys of the area. This always with rigorous care and accompanied by qualified, experienced staff.

Dog sleds: Gliding on the snow in sleds pulled by splendid dogs will give you some hours of sincere, deep emotions together with the oldest, best friend of Man - the dog!

A professional instructor will accompany you along a fantastic tour, illustrating the simple, basic commands you will need to guide a sled by yourself, in total safety and autonomy. **STRONGLY RECOMMENDED FOR KIDS!**

ALPS GUIDE and FREERIDE TOURS

We also offer the possibility of being accompanied by a competent, officially recognized **mountain guide**, for a day of off-track skiing either using the available ski lift (using your own ski-pass) or completely in back-country, through the shuttle service detailed above (for example on less known slopes with no ski lifts). It is necessary to have achieved a medium or high proficiency level.

As an alternative, in collaboration with **Gionata Craviotto**, qualified coach as well as deeply familiar with the whole territory, we suggest off-track tours, with or without using the ski lift, for all proficiency levels, in complete safety and with the appropriate equipment.

These are just some examples of the possibilities we can propose.
